## The Stars of the Cast

### EDDIE SHUMATE

At the beginning of the 1950-'51 term our hearts were made heavy when our school mate, Eddie Shumate, was struck by polio. We experienced many anxious hours during those first two weeks in October, and the question foremost in the minds of everyone was "How's Eddie getting along?" As the weeks went by, we were encouraged as he began winning the battle, even though he was in an iron lung. We missed his smiling countenance in the halls and classrooms, his athletic ability on the ball field, and his presence at all school functions. We marvel at the spirit Eddie has shown and we are proud that we have had the honor to associate with him during our school life.

# Class Prophecy

The oracle, sage, and bard of this page  
Will show you the future events  
These couplets express the marvelous success  
Of Marion High ladies and gents  
  
Preston Copenhaver has a formula for age pre-  
vention,  
Due to his usual interest in invention  
  
People find it hard to die,  
With Winifred Kirk, a nurse, nearby.  
  
She's made herself famous in works of art,  
Miss Ann Johnson, a genius thou art!  
  
Just as she did at Marion High  
Blanche Reeves in beauty contests ranks high.  
  
Larry Frazier—long since to New York d d go,  
Happily married to — well, you know  
  
The greatest aviator we've ever known,  
Ronnie Beaver—'round the world he's flown.  
  
Thelma Killen, as little as ever,  
Is noted for work in Christian Endeavor  
  
In housekeeping, she is very fitten  
Who can surpass Joanne Britton.  
  
Day and night Loretta Taylor slaves  
In a beauty parlor, giving permanent waves  
  
Patricia Widener took Home Economics with the  
future in view  
As we all know, her dreams have come true  
  
Remembering the thrill a uniform carried  
Charlotte Dutton is now to an officer married  
  
Phyllis Cormany, who in piano was dominant,  
In a jazz orchestra is now very prominent.  
  
Dental work is Rhodes Greer's line  
And all of his patients like him fine  
  
Genevieve Slagle has opened a new hotel  
And we hear she's doing remarkably well  
  
Cornelia Wolfe, famous novelist and poet  
Has completed her book, "The World As I Know  
It."  
  
Ann Francis—well, I just don't know—  
Some folks do puzzle one so!  
  
A toast to Frank Jones, who just confessed  
He made his fortune in Europe's sports contests.  
  
Here's to J. Warren, a governor of fame  
Whose unusual speeches have made him a name.  
  
There are all kinds of stores in town,  
But Frank Maxey's has the greatest renown  
  
Down the road the sportswoman roared  
Shirley Sprinkle in her brand new Ford.

Bloke Snider has recently become a star;  
His pictures are sought both near and far.  
  
Of all efficient secretaries  
Joan Slagle is quite the berries!  
  
E. Stoots and B. Duncan just made this con-  
fession —  
For them the job as clerks is a favorite profession  
  
Rosa Lee Hayes for a word was never at a loss,  
Now she's married and is still her own boss  
  
Policeman Tilson, get on your duty.  
Here's Nodine Buck, the American Beauty  
  
A man who has distinguished his name  
Is Joe Campbell, a doctor of fame  
  
Most magicians merely take rabbits from a hat,  
Max Perkins does greater things than that  
  
A Navy officer, with coat of mail,  
Bill Anderson, we proudly hail.  
  
Says Kate Noonkester, who has taken to the air,  
"There are no policemen or speed limits there"  
  
Don Rash, as a chemist, has gained great fame,  
His discoveries are quite a credit to his name  
  
Paderewski now has been outdone,  
Sadie Wolfe is number one  
  
Jane Merchant has a distinguished place  
As a home demonstrator—and is she an ace  
  
Avery Severt is all in a rage  
Because of success in designing a stage  
  
As basket-ball coach at Randolph-Macon  
Robert White a position has taken.  
  
Miriam Frazier is fathoms below,  
Looking for goldfish in H<sub>2</sub>O  
  
John Dickinson no longer is hog-caller champ,  
The Metropolitan Opera he's made his camp.  
  
By the time you read this column,  
Our necks will have been broken,  
Because we have been so bold as to say  
These things which have been spoken.  
And so, however great or small  
Is the future you have in view,  
"Give to the world the best that you have,  
And the best will come back to you."  
I wish I were a real prophet,  
That I your future might really foresee.  
I'd give you all the best career there is,  
A home—happiness to the highest degree.

"There She Goes", a three act comedy about an old maid turned novelist, was presented by the Faculty, Administration, and Student M. H. at the Union. Tickets were purchased with the proceeds.

With Mrs. Margaret Sue Clegg as Tessie, the young old maid and Miss Raymond as the busby lady neighbor, the play developed along to a happy climax, true love triumphing over all.

Others in the cast were Mr. Wilkinson, as Pete, the handyman; Mr. Mitchell as Tessie's younger brother Timmy; Miss R. A. as Grace; Mrs. Estelle as Mrs. Tracy; Mrs. Moss as Lana, the movie star; Miss B. Copenhagen as Louhedda, the columnist; Mrs. Moss as Jessie the maid; Mr. Engle as the dashing widower; Frederick Moses, Hyatt and Smith as the local girls; Leonard Ides and the other faculty members as the visitors. The other faculty members also served on committees.

# WHAT MAKES A CHAMPION ATHLETE?

IS IT CONDITIONING . . . coaching . . . teamwork physique sportsmanship competitive spirit . . . or just plain honest-to-goodness athletic skill?

We don't pretend to be athletic experts, because our job is to manufacture high quality textile products. But as sporting fans we think it would be safe to say that an athletic champion is the result of all these fine qualities.

We know that it has taken a combination of great leadership, manufacturing know-how, careful planning, employee loyalty, and skilled teamwork to make Burlington Mills a champion in the textile industry. The Company's many accomplishments and progressive growth during the past 27 years are well known. We are proud of this record and equally proud of our 32,000 employees who have worked together with real team spirit as members of the Burlington team.

It's a fact that Burlington's fine fabrics, hosiery and other textile products are truly "Woven into the Life of America" — just as every Burlington plant is woven into the life of its own community.
